

McNabb Sunday Morning, 11 am meeting of AA

Some instructions:

The details are as follows:

the supply locker is kept in the kitchen at the back of the meeting room - the key for the supply locker is kept at the admin desk at McNabb, the key tag number is #32, the key is occasionally "misfiled" and this caused some confusion. The key is on a key ring that has a large silver "KEEP IT SIMPLE" inscription. The cabinet contains all the "non-consumables" required for a meeting, sound equipment, suggested chairpersons instructions etc, and a very detailed meeting set-up instructions and 7th tradition accounting sheet, etc. Groups putting on the meeting must bring the coffee and coffee supplies.(milk, cups, sugar) Groups should bring their own literature/books for sale, if they wish..

Vice-Chair 09

Shaun D
